RE: Large Group Adjudicated Events Information

From: Mr. Kibler

Last Friday I received the performance time for the 6th Grade Band students that will be participating at OMEA sponsored Adjudicated Events. The 6th Grade Band is scheduled to perform at **8:00am** on **Saturday, May 14**. I would like ALL of the students to travel to North Canton Middle School on the bus. Therefore, parents should drop their child off at Door #15 (near the north parking lot) of the Middle School no later than 6:40am. Students should arrive in our normal concert dress outfit. I know this seems early however, I must factor in bus loading time and travel time into the schedule. Upon arrival at North Canton Middle School we are taken to our homeroom and are expected to be in the Warm-Up room by 7:30am. I have also factored this into our schedule. Parents are welcome and encouraged to attend our performance, however, please be aware that OMEA Rules and Regulations prohibit any type of recording (other than that of the judges). This includes still or motion pictures.

Our performance should be completed by 8:30 am at which time we will go back to our homeroom and put our instruments away, then go to the cafeteria to wait for our rating to be posted. This should take no longer than 30 minutes. Parents can take their child home from the event following the posting of our rating. If you choose to do this, I will need a signed note OR email from a parent or guardian. I would appreciate having this note prior to Friday, May 13. As the students will be at camp from Tuesday, May 11 through Thursday, May 13 AND they are not in school on Friday, May 14, parents can feel free to email me at kiblerrich@lakelocal.org For students who are riding the bus home, I anticipate our arrival back at the Middle School to be no later than 10:00am. As always, if you have any further questions, please feel free to email me.

As mentioned in previous correspondence to you, we will be having two after school rehearsals for this event which are scheduled for tomorrow, May 5 and Monday, May 9. These rehearsals will conclude no later than 3:30pm. Thanks for allowing your child to participate in this educational enrichment and assessment opportunity.

Sincerely,
Mr. Kibler
6th Grade Band Director
