Dear 7th grade music students and parents,

We have reached the time of year when students must sign up for a music course to be taken next school year. For scheduling purposes, we need to know in which class each student will be enrolled.

At the middle school, students can take the following options: strictly band, strictly choir, strictly orchestra, both band and choir, or both orchestra and choir. Unless the band, choir, or orchestra teacher has approached your child individually, we sincerely hope they will continue in their present performance class. Please check the option at the bottom of the page that best suits you. **By signing the bottom of this sheet, you understand that after the second week of next school year, your child is committed to their choice for the entire school year. They will not be permitted to switch to a different class until the following school year.**

All of the music directors have been very impressed with this year's seventh grade class as they have shown tremendous progress. If there are any questions regarding music at the middle school level, please feel free to call us at the high school at 330-877-4282. We will gladly answer any questions you might have, as we feel all of the students are extremely valuable to our music program.

Please fill out the bottom portion of this form and return it to a director by Wednesday, April 28, 2011.

Thank you.
