Additional Information:

Technology help - Students should be sure to restart their laptops at least once each day. Beginning March 30, technical help will be available to students between 10:00 a.m. and noon each weekday. Those who might be having issues with their laptops can call (330) 877-7504. If you are not able to get your issue corrected over the phone, our tech staff will make arrangements with a day/time for you to drop it off for a closer look. If you do not have transportation to drop off your laptop, please contact me directly at harolddan@lakelocal.org.

Internet connections - Parents/Students who need an internet connection – here are two options:

Charter Communications announced that it will provide free access to Spectrum Broadband and Wi-Fi for 60 days to K-12 families who do not currently have a subscription. For more information, please click on the link below for instructions on how to proceed. All questions should be directed to Spectrum Lake Local Schools has no connection to this process other than to inform families.

And here's another option for those who need internet: <https://internetessentials.com/covid19>

Free meals for students and assistance for families - please go to lakelocal.org for information about grab and go meals and other programs provided by our district, Love Our Community, and FISH. We are fortunate to be a part of a very generous community and we are anticipating an increasing number of students and families who could use some extra help. Do not hesitate to contact us if there are any additional ways you might need a hand.
