

Lake Local Schools

March 17, 2020

Dear Lake Primary and Lake Elementary Families,

With school being closed due to COVID-19 for the next couple of weeks, our staff has created grade level packets. All packets for grades **K-6** will be posted on our Lake Local Schools website (www.lakelocal.org) by grade level so that you may print the packet from home or pick-up a hard-copy of the packet at **Door #1 of Lake Elementary on Thursday, March 19** from **11:00 a.m. - 2:00 p.m. (this is for grades K-6)** The packet on the website and hard-copy are one in the same.

If picking up packets, parents/guardians will not need to exit their vehicles; staff will bring the packets to your car. Please enter through the Lake Elementary main entrance from Belle St. just like parent drop off. *Packets will also be left outside Lake Elementary Door #1 in plastic bins for pick-up after hours.*

If for some reason you are unable to print or pick-up your packet, please email your child's teacher so that we can make arrangements to accommodate you.

All teachers will be available via email to support your child academically during this time. If you have any questions about your child's assignments, please email the teacher directly. Also, our school counselors are available via school email regarding social/emotional concerns.

We are here to support your children during this difficult time. Thank you for your patience and understanding.

Lake Elementary School Address

225 Lincoln St.
Hartsville, OH 44632
Phone: 330-877-4276

Sincerely,

Mr. Frank Gant, Principal
Lake Primary School

Mrs. Donna Bruner, Principal
Lake Elementary School
