Thursday, February 16, 4:00 – 7:30 PM

Parents/Guardians should register their children at the elementary school building they will attend (Uniontown or Hartville). Registration tables will be located near the main office in each building.

A child must be five years of age on or before August 1 to be eligible to enroll in kindergarten.

Parents must bring the following forms for registration as they are required by the State of Ohio and students will not be registered without them:

- child's official birth certificate (from health department)
- child's immunization records
- child's social security number
- custody papers (if applicable)
- three proofs of residency (ex. driver's license, gas or electric bill, voided check or savings deposit ticket)

*District forms may be downloaded prior to registration.
