

MECHANICS AND MAINTENANCE STAFF

Our mechanics at Lake Local are exceptional. They maintain a fleet of 40+ buses, several trucks, vans and mowers. Each year the mechanics are responsible for ensuring all of the school buses pass the State inspection. They also do regular maintenance and repairs throughout the year to keep our student safe.

Our maintenance staff is also exceptional. They take care of 65 acres of land, repair roofs, doors, windows, HVAC, plumbing, maintain fields, paint and other repairs in the district.

Mechanics and maintenance staff are the few people most of us never think about until something happens to our vehicles, buildings or fields. Our mechanics and maintenance staff are very important members of the team that helps provide a safe, pleasant and clean environment for our students, staff and community.

Thank you mechanic staff - Bruce Hein and John Eves.
Thank you maintenance staff – Kevin Kauth and Steve Cutting
