

LAKE VIRTUAL ACADEMY K-6

Choosing the Lake Virtual Academy (LVA) means students will access their education 100% online.

- A Lake Local education with Lake teachers instructing your child for courses. The online curriculum will be aligned to the content / pace of Lake Local students in that grade. A teacher(s) will be assigned to provide the direct instruction for each course.
- Students will follow a daily schedule and lessons will be delivered virtually. The daily schedule will be during the Lake school day. (Lake Elementary 8:55 – 3:25) and Lake Primary (8:40 – 3:10). The actual daily schedule will be determined upon grade level.
- Students will be required to commit to LVA for at least the first semester. At the end of the semester students will choose to whether to continue their education through LVA or transition back to the school building.
- In the event that the entire district or certain grade level/building transitions to *Remote Learning* (as we did in March 2020), students already enrolled in LVA will continue with their online coursework through their classroom teacher and not participate in *Remote Learning 2.0*.
- Grading procedures will be the same as those that are used when students are in the traditional in-person school setting. Students are choosing to take classes through Lake Virtual Academy and the expectation is they will complete all requirements by the assigned due dates.
- Students with disabilities on IEPs will receive special education services remotely.
- 504 accommodations and services applicable to the online learning environment will be provided for qualifying students.
- The content will be organized and delivered using Google Classrooms.
- Students are responsible for district/state testing when applicable
- Students who enroll in Lake Virtual Academy will be provided with Lake Schools owned laptop.
- The Acceptable Use Policy (AUP) is in effect and all terms and conditions apply to LVA students.
- Once committed to Lake Virtual Academy students will remain in LVA for at minimum one semester.
- Students will be required to connect daily with the classroom teacher through Google Meet. Attendance will be taken daily.
- Daily support of students by a parent/guardian at home may be required in the online learning program
