This is the second year I've had the pleasure of being Jordyn's Art teacher and she has never failed to impress me. Jordyn is conscientious, dependable and creative. She always puts the utmost effort into whatever assignment she is given and often is more critical of herself than I would ever be! Jordyn is kind and can often be seen trying to help others with their work as well as cleanup. Overall, Jordyn is the Art student you dream of as a teacher and I easily see her finding a career path in the Arts.

Olivia Windham

12th Grade Girl

Lake Middle/High School

Parent Names: Angela and Dean Windham

Nominated by: Mrs. Aja Tompot

It is such an honor to be able to award Olivia Windham with this award. It is hard to put into words what this young lady brings to Lake each and every day. From the moment I met her during her sophomore year, I knew she had the potential to be a wonderful leader. She has continued to grow and develop each year and I have seen her push herself to be better. Olivia is one of the hardest working and passionate students I have come across.

This year she took on the CEO role of her senior business. She wasn't quite sure how to lead a team but she knew she wanted to learn. She would stay after class and we would discuss what she needed to do each day and how she could improve. I knew she was driven to do her best! She has continued to push herself and sure hasn't shown any signs of senioritis, yet that is, and when I started talking about having our students compete in DECA again, she couldn't wait to jump right in. Olivia is such a wonderful role model to her classmates and just being in her presence puts you in a good mood. I have never heard her say one negative thing about anyone, that sure says a lot about a person and the way she was raised. She definitely is leaving her mark in the Marketing program and as sad as I am thinking about not having her in class next year, I am looking forward to seeing where her path will take her.

I wanted to share what her employer wrote about her in her quarterly evaluation as well. I feel it shows well how the light she brings into the school is also carried with her in her job and her life outside of the walls of LMHS as well. Her boss stated "Olivia Windham is an exceptional team member and great person. She is self-motivated and always has a positive attitude. Olivia sets the high-level tone in the workplace and other team members feed off of that. I expect that Olivia will do whatever she wants to do in life and be the very best at it. I look forward to seeing her every day. God bless this young lady with a full life of happiness and good health."

I couldn't agree more. Congratulations Olivia – I am so proud of you!

Christian Konigsberger

12th Grade Boy

Lake Middle/High School

436 King Church Avenue SW, Uniontown OH 44685
Phone 330.877.9383 • Fax 330.877.4754

Vision: To be the leader in addressing the educational, social and physical needs of students and staff

Mission: Educating generations, serving our community

Values: Respect, Integrity, Citizenship, Honesty, Engagement and Responsibility

Lake Local Schools

Parent Names: Amy and Aubrey Konigsberger

Nominated by: Mrs. Teresa Miller

Christian is definitely not your average student. His drive and passion for the arts and the legal system led him to challenge the status quo last spring. At that time, he asked if he could take legal studies Period 6 & 7, while joining Reflections Period 6 and continuing in orchestra Period 7. What? Really? How would this work? Mrs. Bordo, Mrs. Scott, and Mrs. Miller agreed that they were all willing to take the chance on Christian. Mrs. Miller explained to him he would establish the precedents for all future Blue Streaks and although we were willing to give it a try, it would require extreme responsibility. Challenge accepted! Through accountability, communication, excellent work ethic, and demonstrating time management, not only has he met our expectations, he has exceeded them. Christian enters his final semester of his senior year preparing for regional mock trial competition, OMEA State Orchestra contest (which happens to both be on February 18), and is preparing for his role as Maurice in the high school musical's production of Beauty and the Beast. Oh, and he also is on the bowling team and he holds a part-time job. Congratulations Christian Konigsberger.... job well done!

Sharyl Gregerson

Teacher of the Month

Lake Middle/High School

Nominated by: Dan Harold

Sharyl Gregerson would probably be the first to admit that she is blessed to teach some of our best and brightest students on a daily basis in her Advanced Placement and Honors Chemistry classes. Then again, judging by her frequent attendance at our annual Top 25 banquet, there are a number of students who feel just as fortunate to have the opportunity to spend each day in her classroom. In addition to her frequent accolades from her students, Sharyl recently received the Gene Easter Award from the Akron section of the American Chemical Society, an award given annually to an outstanding chemistry teacher who uses innovative and relevant methods to illustrate the importance of Chemistry in our everyday lives.

While it is certainly obvious that Mrs. Gregerson has earned the respect and admiration of her students and peers, she has also consistently taken the extra time and effort to support our various athletic teams, extra-curricular activities, and school projects. This year, after several years of mentioning and discussing a more permanent way to honor those who have served our country, Sharyl took it upon herself to promote, organize, and establish a display in one of our main hallways to honor Lake graduates who have served or who are currently serving in the armed forces. There is no question that all who view the final product would agree that it is extremely well done, and we are anticipating that this area of the building will be an ongoing

project that will no doubt take on even greater prominence as it is viewed and expanded in the coming years. It has been through Sharyl Gregerson's leadership that this vision became a reality, and it is because of her dedication to her students and our school that she is most deserving of being recognized as the Lion's Club "Teacher of the Month".

Star Serdinak

Employee of the Month

Lake Middle/High School

Nominated by: Dan Harold

Students who attend Lake Middle High School show up to school each day understanding that they have quite a few eyes on them. They walk the halls and enter our classrooms under the watchful eyes of administrators, teachers, and coaches, but they are just as frequently observed closely by our secretaries, aides, custodians and, yes, even our cafeteria workers. The LMHS students quickly understand that no one is necessarily trying to catch them doing something wrong, but rather they are hoping to exchange a smile or a word or two that will build relationships and make someone's day. Star Serdinak has been a familiar face for our students and staff for the last several years in our cafeteria, mainly fulfilling her duties cashing out and checking on our students as they near the end of their lunch lines. Her caring approach and friendly demeanor are always a welcome experience, and she seems to have developed a knack for recognizing when some students might be having one of those days when an extra word or smile might make a difference.

Although it might never be said or rarely suggested, our students welcome, appreciate, and find a certain degree of comfort when seeing Mrs. Serdinak at her post each day. Any worries or disappointments of the day are somehow forgotten, and she somehow reminds them as well as the rest of us that it really doesn't take much time to bring a smile, and it is never an inconvenience to show someone you care.

We are long overdue in thanking Star Serdinak while recognizing her as our Lion's Club "Classified Employee of the Month".

Kristen McCormack

Volunteer of the Month

Lake Primary School

Nominated by: Megan Seeley

experiences. Kristen works continuously with the leaders of each PTO committee making sure to be a liaison between the school staff and the parents. She was the lead contact for such things as the Stoller fundraiser, Penguin Christmas Shop, spirit wear sales, and has been working to make sure our main fundraiser...Read, Move and Groove...is ready to go for the end of February. Not only does Kristen keep the students of Lake Primary at the forefront of the PTO, she also knows and understand how crucial it is to support the teachers and staff. She has helped to organize dinners for conference nights, parent volunteers to help with classroom parties, parent volunteers to help with Kindergarten screening, a Christmas cookie exchange, and recently a parfait bar in the staff lounge. Kristen has helped to allow the teachers to fulfil some of their "wishlist" items to help make sure their classrooms have everything they need to provide students with the best education possible. Kristen also comes in to volunteer her time as a classroom helper. She works with a small group of students once a week for small group reading activities. Kristen is a volunteer who has shown outstanding dedication and commitment to support the education of our students and staff at Lake Primary.
