

January 1, 2020

Our Scholarship Drive for the year 2020 is underway! Please help us to continue our highly successful and beneficial local scholarship program. Annually, our scholarship program raises and distributes almost \$20,000 to our graduating Lake High School Seniors. We seek to increase this number, so that more outstanding students can benefit from this program and the amazing community that supports it.

The Lake Scholarship program is a success because of the generous support of businesses and individuals in the Lake Community. Students who reside in the Lake Local School District are eligible to apply and are selected according to rigorous guidelines established by the Lake Academic Booster Club Scholarship Committee.

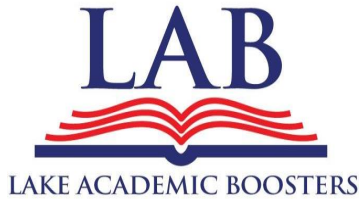

We will continue to adhere to objective processes for collecting and distributing scholarship monies. Scholarship applicants are evaluated by an impartial team on the basis of academic achievement, service to others, employment history and economic need.

Donations of any amount are appreciated and are tax deductible. Donations of \$500 or more will establish a memorial or named scholarship --for individuals, businesses and organizations--and you will be invited to present your scholarship in person during the Senior Recognition Ceremony in late Spring. All donations of less than \$500 are combined in the Lake Scholarship Fund and awarded in various amounts.

We hope that we can again count on our community to support our many fine and deserving Lake Students. Together our community can lighten the financial burden to some very hard-working students and demonstrate our support of their endeavors as they move beyond Lake to pursue their life goals. Enclosed is a donation form for your convenience. The deadline for our scholarship drive is March 31, 2019.

If you have any questions concerning our scholarship program, please email Colby Osmundson at Colbyosmundson@gmail.com.
