

Lake Local Schools

Plan on a Page 2020-2021

Mission: Educating generations, serving our community.

Vision: To be the leader in addressing the educational, social and physical needs of students and staff.

We want to be:

- Recognized as a premier district in the state of Ohio.
- Known for quality students, well-prepared graduates and successful alumni.
- A best practice for partnerships with community.
- A centerpiece and trusted resource for our community.

What we will do:

- Utilize technology and employ appropriate learning strategies.
- Ensure effective and efficient use of our facilities.
- Focus on physical and mental well-being.
- Improve communication with all stakeholders.

What we will have:

- Highly engaged students and staff.
- Academic results in the top 5% of the State of Ohio.
- Buildings and facilities that are utilized by students, staff, parents and the community.
- Notably healthy students and staff.

Values: Making our community RICHER through:

- Respect
- Integrity
- Citizenship
- Honesty
- Engagement
- Responsibility
