

## KINDERGARTEN REGISTRATION 2021-2022

Lake Local Schools has partnered with FinalForms, an online forms and data management service that has replaced paper registration forms. **In order to register your kindergarten student, you must first contact Lake Primary School at 330-877-4298.** You will then be set up with a FinalForms account. Parents/guardians will receive an email with step-by-step instructions on how to log-in and create an account for their new kindergartener.

After completing FinalForms, you will take the required paperwork listed below to Lake Primary. See the dates listed below for daytime and evening availability and the links to set up an appointment using My Conference Time.

**Registration is NOT complete until you take the paperwork to Lake Primary**

**Parents/guardians must bring the following forms to their registration time as they are required by the State of Ohio and Lake Local Schools, *students will not be registered without them:***

- Residency Declaration, completed & notarized (*Lake Form AO\_20*)
- Three proofs of residency (ex. driver's license, one utility bill, insurance policy/invoice, mortgage bill, paystub, voter registration, voided check or savings deposit ticket)
- Child's official birth certificate (from health department)
- Child's immunization records
- Parent photo ID/driver's license
- IEP/ETR (if applicable)
- Custody papers (if applicable)

***All Registrations are by Appointment ONLY***
